

Westlake High School Ballroom Dance Company Consent & Acknowledgement Agreement

I/We _____, the parents and guardians of _____, understand that participation with the Ballroom Company will require good physical condition, and that the activities in which he/she will be asked and expected to participate in require physical stamina, strength and dance ability. We represent to you that our student has no physical, medical, or mental disability or other limitations, which would prevent him/her from fully participating in this activity.

Dance Company is an activity where the risk of injury to our student is always possible. With this understanding of the possibility of injury or mishap, we consent to full participation of our student in this activity and release school and district personnel from claims for damages or costs due to injury.

We also understand that our student will be required to travel to locations off campus for the purpose of participating in the dance company performances, competition, and other activities. In such cases, parents, the student, other team members, or the school may provide transportation. We consent to this transportation. We also understand that we will need to sign a Participation Disclosure and Acknowledgment Form when transportation is not provided by school bus.

By signing this agreement, we agree to release the advisor, choreographers, volunteers, and employees of Westlake High School and Alpine School District from liability and payment of claims for damages resulting from injury, or property loss which may arise through or by his/her participation in dance company activities.

I/We have read the above information including the membership qualifications and responsibilities, the financial commitment, the time commitment, and release of school liability for 2009-2010 Westlake High School Dance Company.
